## .. The Choral Service ..

---

is the White-Smith distinctive title for Choir Music, and the form in which this catalog is issued will enable Choirmasters to readily make a comprehensive selection for any occasion.

The first half of the catalog embraces the Complete List of Sacred Octavo Music arranged Alphabetically under Composers.

The second half duplicates the first section, but is arranged Alphabetically by Titles, thereby enabling Choirmasters to find whatever they wish without delay.

Each section is in three subdivisions: Mixed, Men's and Women's Voices, and the character of each piece indicated.

Selections will gladly be Sent on Approval, and we request that all orders be made by number, thus avoiding mistakes, as many pieces are issued in different forms.

If your dealer does not carry our music in stock, we will fill all orders by mail or express with the usual discounts allowed plus transportation.
